Exhibit 3

July 27, 2020

Andrew Parker 411 Hempstead Tumpike West Hempstead, New York 11552

Dear Andrew,

I am writing to say *Thank You* and to express our appreciation for your contribution of \$2,000.00 Since the outbreak of the COVID-19 virus in March, Island Harvest Food Bank has been at the forefront in helping almost 145,000 Long Island families who are struggling to put food on their tables.

So many of those we have helped have shared personal stories with us, and most of all they have shared their gratitude that we are there for them when they need us most. Their *Thank You* to us is really a *Thank You* to special friends such as you who make our work possible.

On behalf of the veterans who served our country, but depend upon Island Harvest to serve their next meal, we say, *Thank You*. And, from the homebound seniors who can't get to the supermarket, or are afraid to step outside for fear of getting sick, *Thank You*.

From the children who were receiving breakfast and lunch at school until the pandemic began, *Thank You* for helping us to provide nutritious meals at school distributions across Long Island. We believe no child, and no family on Long Island, should know hunger during this crisis, or ever.

In recent weeks, Island Harvest's Emergency Response efforts have included some of the largest food distributions in Long Island history. From the more than 11,600 families who waited on line—in cars, or on foot, to receive much needed food from us at malls in Massapequa and Bay Shore, and at the Nassau Coliseum, Thank You for helping us to help them.

We have been making a difference for almost thirty years because of friends like you who care about their neighbors. For believing in us, I say, Thank You.

Thankyou

Randi Shubin Dresper

Dear Andrew,

In this time of unprecedented need, our community needed someone to step up and help. You answered the call. You gave them more than the help they needed - you've given them hope.

You are feeding people today and creating a healthy, hunger-free tomorrow!

With this gift to the Community Food Bank of Southern Arizona, you've brought us all one step closer to a healthy, hunger-free community. Thank you!

Your gift makes a difference. In the month of May, alone, we distributed more than sixty-three thousand pounds of milk, yogurt, cheese, and butter. Because of your support, we're able to distribute over 1,500 boxes of produce each week. These healthy staples mean mealtimes are a time to connect instead of worry. With support like yours, we're doing even more than that by running virtual gardening workshops on how to grow food in the desert and getting the supplies to start those gardens to families.

Thank you for your incredible support. Our community is a better place to live because of you. Sincerely,

Michael McDonald Chief Executive Officer
